Dated, Washington, D.C., April 14, 2021.

¹ In denying review of the Regional Director's mail ballot determination, we agree with the Regional Director that a mail ballot election was warranted under Factor 2 of *Aspirus Keweenaw*, 370 NLRB No. 45, slip op. at 1 (2020), because the 14-day testing-positivity rate in Wayne County, where the Employer's facility is located, was 5 percent or higher in the two weeks preceding the Regional Director's decision. *Id.*, slip op. at 5. Accordingly, we find it unnecessary to reach the Regional Director's discussion of Factors 5 and 6.
